SELECTMEN'S REPORT

So far no one has complained about taxes going down in 1989. Keeping taxes low will be difficult. The sluggish economy, an unbalanced State budget, and rising school costs threaten to push our taxes up. Extreme care and diligence in examining each spending article by every citizen at both Town and School meetings must be exercised to reduce each spending proposal to only necessary items. Anything less leads to higher taxes - a burden many do not enjoy.

The Fire Department is considering where to locate the new building for Company 3. The old town garage where it is presently housed is not suitable. Several sites have been evaluated, but nothing has been found. The "Hotel Lot" is often mentioned, but there is opposition to using this site. Suggestions and ideas from the floor at Town Meeting ultimately may resolve this issue.

The Transfer Station Investigation Committee, chaired by Ed Naile, is formulating plans to insure waste disposal. Many approaches have been - or are being - investigated. One common element is that recycling is a must if we are to reduce the amount and cost of waste transferred to the Concord incinerator.

Peter Beard proposes to spend approximately \$281,280 on road maintenance this year. Pete and the Highway workers have done an excellent job maintaining Town roads. They are especially commended for this.

The Police Department under Willard Campbell is asking for a larger budget. He proposes more hours of patrol, especially on weekends during the summer months to make the Town safe for everyone. The Police Department has five part-time officers.

The Board of Selectmen extends a hearty thank you to the members of the various Town Boards and Committees. It is only through the dedicated efforts of many of our citizens that these committees function so well. This gift of expertise and personal time is appreciated by the Board of Selectmen who give a loud THANK YOU while knowing that a thank you is but a small reward for the services each individual has so generously contributed.

SELECTPERSONS OF DEERING

TOWN OF DEERING
STATE OF NEW HAMPSHIRE
1990 TOWN WARRANT

To the inhabitants of the Town of Deering in the County of Hillsborough s.s., in said State, qualified to vote in Town Affairs,

GREETINGS:

You are hereby notified to meet at the Town Hall in said Deering on Tuesday the 13th of March next, at 11:00 AM in the morning to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. Shall we adopt the provisions of RSA 72:28, V and VI for an optional Veteran's exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veteran's exemption is \$100, rather than \$50.

ARTICLE 3. Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is \$1,400, rather than \$700.

ARTICLE 4. Are you in favor of changing the term of the Town Clerk/Tax Collector from one year to three (3) years, beginning with the term of the town clerk/tax collector to be elected at next year's regular town meeting? SUBMITTED BY PETITION, SUPPORTED BY SELECTMEN.

ARTICLE 5. Are you in favor of adopting the "Deering Dog Ordinance", as proposed by the Chief of Police and supported by the Selectmen. (Copies posted at Town Hall)

ARTICLE 6. Are you in favor of the adoption of the Amendment to the Deering Zoning Ordinance as follows: "The establishment of an Aquifer Protection District in order to protect, preserve, and maintain potential groundwater supplies and related groundwater recharge areas within known aquifers identified by the Town. The objectives of the Aquifer Protection District are: to protect the public health and general welfare of the citizens of Deering; to prevent development and land use practices that would contaminate or reduce the recharge to the identified aquifers; to assure the availability of public and private water supplies for future growth of the Town in accordance with the Master Plan; to encourage uses that can appropriately and safely be located in the aquifer recharge areas." SUBMITTED BY PETITION supported by the Planning Board and Conservation Commission. (Copies posted at Town Hall)

POLLS WILL OPEN AT 11:00 AM and will remain open until 7:00 PM. (The Polls may be continued to be open following the above hour by vote of the meeting, but may not be closed before the hour of 7:00 PM - RSA 39:2.)

ADDITIONALLY, pursuant to RSA 39:2a, you are hereby notified that Articles 7 through 38 will be taken up at 7:30 PM. (All articles hereinafter are submitted by the Selectmen unless otherwise noted.)

ARTICLE 7. To see if the Town will vote to purchase or take by eminent domain a certain tract or parcel of land located in Deering known as the Hawthorne College Airport in accordance with the terms of any Purchase & Sales Agreement entered into by the Board of Selectmen or according to the procedures for eminent domain set forth in RSA 498-A; to raise and appropriate the sum of Eight Hundred Thousand Dollars (\$800,000) for this purpose, such sum to be raised through the issuance of bonds or notes in an amount not to exceed Eight Hundred Thousand Dollars (\$800,000) in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the NH RSA, 1970, and amendments thereto); to authorize the Selectmen to perform all of the Town's obligations

and negotiations of any agreement to purchase and/or the performance of all necessary duties to exercise the powers of eminent domain; to further authorize the Selectmen to issue, negotiate, sell and deliver said bonds or notes and to determine the rate of interest thereon, and the maturity and other terms thereof; to authorize the Selectmen to take any other action or to pass any other votes relative thereto. LIBRARY TRUSTEE REPORT		

Come see what you are missing!! Every week of the year the opportunity for knowledge and enjoyment is available to you and your children for free. More residents are finding their way to our shelves each year.

New children's books, help to parents on their children's reading, best sellers in fiction and non-fiction, reference materials and old favorites are all waiting for you.

Again we thank our volunteers for the summer story hours -

Marcia McLaughlin, Vila Ramsey, Jeanne Bartlett, Patty Kennedy, Ann Getts, Virginia Midyette, Marion Van Horne and Gordon Sherman, and those who assisted your trustees in keeping the Library open - Virginia Craven, Janet Nazro, Sue Farber, Bev Yeaple and Dorothea Preston.

The Hours are: Summer - Wednesday 10-12 and 1-3, Thursday 5-7. Winter at the Town Hall - Wednesday 11-12 and Thursday 5-7.

More patrons and more volunteers are needed for the Library to continue to grow.

REPORT OF THE TRUSTEES OF TRUST FUNDS

Due to the narrow gateways into Wilkins Cemetery, work on the expansion will have to be postponed until the Spring of 1990. Advertisements will be placed to list the job.

From the many requests from townspeople, we will have to focus attention on the expansion of East Deering Cemetery. We plan to accomplish this in three phases, with the first phase being the removal of trees in the back portion and those along the inside walls to include stump removal. Phase two will be the fill operation to bring the slope up to a usable grade. Phase three will include the addition of top-soil and roadway designation, and the mapping for lots.

Contact has been made with the Keene Monument Company for spring 1990 work in the restoration of damaged stones in the Goodale Cemetery on Driscoll Hill Road. There are about sixty stones needing new bases and securing others from toppling over. Upon the restoration of the Goodale Cemetery, this will leave only the Patten and Gove Cemeteries needing work. These will hopefully be accomplished in 1991. Brush work has been completed in the Gove Cemetery.

Article 2. It was voted (Yes-150, No-84) to adopt the following changes in the Deering Zoning Ordinance: Section 1 Para A. Substitute the following definition "Cluster Development: A residential use which divides land into not more than the number of lots permissible in a conventional subdivision of the same property in the same zone, but where the size of individual lots may be reduced in order to gain common open space." Section 1

Para D. Correct grammar "Special Exception: A special allowance granted . . . when conditions . . . exist [,] which permit[s] a use of land and buildings in a manner that is otherwise prohibited."

Section 2 Para G. Change to read "Private schools, nursing homes and [sanitariums] long term medical care facilities may be maintained by special exception. . ."

WETLANDS CONSERVATION DISTRICT (passed by voters in 1988 as an amendment to the Deering Zoning Ordinance) TO BE INSERTED AS SECTION 5. Re-number the parts of this section and remaining sections as needed. Section 2 Para K. Cross-reference to new Section 5, as follows "Cluster development shall be permitted if the density does not exceed the provisions of Section 2, paragraph B and C, and if all other provisions of Section 1, [and] 2 and 5 apply . . ."

Article 3. It was voted (Yes-152, No-82) to adopt the following change in the Deering Zoning Ordinance under present Section V, paragraph B of the Wetlands Conservation District: No

area of contiguous wetland in excess of 20,000 square feet may be used in determining required acreage or density under the provisions of this ordinance.

Article 4. It was voted (Yes-139, No-100) to adopt the following addition to present Section 5, Paragraph A of the Deering Zoning Ordinance: "All current zoning requirements will apply to any non-conforming use which has been abandoned for twelve consecutive months or more. Notification to the Selectmen by registered letter with twelve months after a non-conforming use becomes inactive, and every twelve months thereafter, of intent to reactivate that use shall be deemed sufficient evidence that the non-conforming use has not been abandoned."

Article 5. It was voted (Yes-182, No-66) to adopt the following change in the Deering Zoning Ordinance under Section 2B: Two apartments or dwelling units for permanent residence shall be the maximum allowable in any one given building. For purposes of new construction, the minimum acreage per dwelling unit must be 2 acres.

Article 6. It was voted (Yes-131, No-108) to adopt an Occupancy Permit process to be included in the Deering Building Codes.

At 7:30 PM Charles A. Gaides, Moderator, opened the meeting with a salute to the flag, followed by a moment of silent prayer. The Moderator then read the following Rules for the Town Meeting:

1. If you wish to be recognized, just raise your hand.
2. When you are recognized, please stand and state your full name.
3. You now have the floor and may speak without interruptions.
4. You must address the issue at hand or you will be considered out of order.
5. If others desire to comment on what is being said they should raise their hands and when the person speaking is finished they will be recognized.
6. Everyone will have an opportunity to speak and with this in mind the motion to close debate will not be recognized.
7. If you are making a motion or an amendment the Moderator must receive a printed copy.
8. There shall be no more than two (2) amendments at one time. Once we have two we will vote on them.
9. To question a ruling of the Moderator requires seven (7) voters.
10. Only one (1) reconsideration of an article will be recognized.
11. There shall be no substantive motions on the last article.

BUILDING INSPECTORS REPORT

1989 was a good year in Deering, the building was down about 50%. This may not seem like a good year for the growth of the town; but for what most taxpayers would prefer, it was a good year. It costs money to build homes.

13 - Single Family Homes; 1 - Duplex; 7 - Mobile Homes; 7 - Garages; 1 - Carport; 20 - Porches/Decks; 25 - Barns/Sheds/Outbuildings; 3 - Roof Alterations; 14 - Additions/Alterations/ Apartments.

DEERING FIRE DEPARTMENT REPORT

The Deering Fire & Rescue has responded to a few less calls this year. The hours spent on these calls remained about the same. Mutual aid was received and given to Hillsboro, Weare, Antrim, Bennington, and Bradford.

This years calls were as follows: 9-chimney fires, 6-brush fires, 9-mutual aid calls, 4-structure fires, 3-MV accidents, 2-smoke investigation, 2-service calls (electrical problem, flooded cellar) and 2-car fires. This breakdown is only for calls when we responded a piece of apparatus. Myself and several other members of the department responded to 15 other calls for illegal brush burns and reports of smoke.

The building committee and the department have spent all summer trying to get a piece of land for the new company #3 station without much success. We have worked on a number of sites, with none of them being satisfactory to all concerned. We will continue to work on this problem, but would gladly accept help from anyone interested in getting involved in this project.

Training continued through attending various area schools. The latest school was a Haz-Mat class which is a mandatory requirement for all fire and police to complete prior to March of 1990. This brings us to a level D response. The main objective of the class is to teach us to recognize the presence of a Haz-Mat danger and the appropriate measures to take. This is important to the safety of the firefighters and the public.

The Fire Department, as always, depends on the support of

The Fire Department, as always, depends on the support of the community, and we would like to thank the people for their support. We are your department, and if you have any questions or suggestions please feel free to contact myself, the selectmen, or the fire wards. The Deering Fire & Rescue hopes that you all have a healthy and fire safe year.

William M. Edes, Fire Chief

DEERING RESCUE SQUAD REPORT

The Deering Rescue Squad responded to 50 calls in 1989, this number is down 4% from the previous year. The decrease in emergencies allowed for us to direct our resources into the continued maintenance of our 1978 Ford ambulance and to replenish some much needed supplies.

Our thanks go out to the numerous individuals who made donations to our cause, which when coupled with our fund raising activities made it possible for us to purchase some new equipment, namely a Portable Suction unit and a set of Anti-Shock trousers, enabling us to better handle a larger variety of emergency situations. While on the subject, I would like to mention that anyone who would like to make a donation or correspond with the Rescue Squad in any way, can reach us by writing in care of the Rescue Squad, PO Box 106, Deering, NH 03244.

Although two members departed from the squad in 1989, five new members have joined to take up the slack. Presently, we have eight Emergency Medical Technicians, one First Responder, and three drivers. Please do not hesitate to call on us if you feel that you have an emergency, as we remain your Rescue Squad 24 hours a day.

Captain Arnold J. Anderson

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

The three leading causes of forest fires were fires kindled without written permission of a Forest Fire Warden, children, and debris burning fires that escaped control. All of these causes are preventable, but only with your help. By NH State Law (RSA 224:27), no person, firm or corporation shall kindle or cause to be kindled any fire, except when the ground is covered with snow without first obtaining a written permit from the forest Fire Warden of the town where the burning is to be done.

In order to eliminate false alarms, it is advisable to notify your local fire department whenever you intend to do any outdoor burning. Violations of RSA 224:27 are a misdemeanor and you are also liable for paying all fire suppression costs (RSA 224:28 and RSA 224:36).

If you have any Questions regarding NH forest fire laws, please contact your local Forest Fire Warden or the division of Forests and Lands at 271-2217.

ZONING BOARD OF ADJUSTMENT ANNUAL REPORT

The Zoning Board of Adjustment received 8 petitions during 1989: 4-special exceptions; 3-variances; and 1 appeal from an administrative decision. Of these, 5 were approved, 2 were denied, and 1 is still pending.

The Board has held consultations with several potential petitioners, this will cut down on the number of unnecessary petitions and on separate filings for special exceptions and variances.

With the changes to zoning that were voted in at the last town meeting, the present Zoning Ordinance is in many respects a stop gap measure. Major changes are needed to cope with future impacts. The Board is frustrated by the present lack of movement on revision of the Master Plan, an essential first step, and hopes that the Selectmen will use their good offices to encourage a resumption of coordinated work towards completion. (NOTE: The Planning Board has full jurisdiction over the Master Plan.)

CONSERVATION COMMISSION REPORT

The Conservation Commission was busy this past year overseeing the protection of Deering's natural resources. Some of these projects included the annual clean-up day which was held on April 22; the Lake Monitoring program for Deering Lake, water samples were taken to assess the health of the Lake; continued work on the conservation and recreation sections of the Master Plan; reviewing of Dredge & Fill applications; sponsorship of two students to attend Conservation Camp.

There were several special projects that the Commission members worked on: the banning of 'jet skis' on Deering Lake became effective on October 1st; participation with the Contoocook River Coordinating Committee to protect the Contoocook River.

The Conservation Commission is now proposing two issues for voting at Town Meeting:

An Aquifer Protection Ordinance to assure that our precious groundwater is not contaminated in the future. As our town grows, the protection of our groundwater to assure its safe use will be critical since nearly all drinking water in Deering comes from groundwater sources.

Earth Day 1990 to be held on April 22, 1990. The purpose of Earth Day 1990 is to insure citizens become aware of the need for global environmental protection and that this effort begins at home.

Finally, the Commission changed its meeting date to the first Monday of each month at 7:30 PM. There are still three positions vacant on the Commission, interested residents are urged to contact the selectmen to volunteer or to attend meetings in order to get a flavor for Commission workings.

DEERING LAND TRUST TASK FORCE ANNUAL REPORT

As part of an application to the State Land Conservation Investment Program for a grant to protect scenic land in town from development, Richard Leghorn donated a conservation easement to the town through the Commission on 40 acres of the old Sutherland Farm on East Deering Road, permanently protecting it, and a section of Dudley Brook, from development.

This is Deering's first conservation easement held by the Town.

DEERING SALUTES MARJORIE HOLDEN-HEATH

Marjorie has followed the family tradition of service and scholarship. She is a graduate of the University of Michigan and obtained her Master's degree from the Massachusetts Institute of Technology.

She has served the Town in many capacities; as Librarian, Ballot Clerk, Secretary/Treasurer of the Deering National Bicentennial Committee, Publicity Chairman of the Deering Bicentennial Committee, Town Historian, and has just completed 50 years of service as Town Auditor (1940-1990).

We say THANK YOU MARJORIE, for your dedication and years of service to the Town of Deering.
